For her fine efforts in this undertaking in community interest, a vote of gratitude to Miss Woodcock and we take pleasure in selecting her as our Personality of the Month.

Ballet in Miniature

The third annual presentation of "Ballet in Miniature", sponsored by the Griesbach Association, was held in the Auditorium of Griesbach School on May 29th and 30th.

From the opening number to the finale the recital provided entertainment of a high standard for young and old alike.

"Children's Games", the opening number, was colorfully costumed and combined the younger students with those more experienced at ballet.

The wee trumpeter with her playmates had genuine audience appeal. The theme of the ballet was expertly executed by the playtime mother and father; the doll and the fast moving top and ball.

"In the Forest" told the story of Young Tom, his adventure in the woods and his encounter with the playful rabbit and the graceful birds

The "Three Pigs and a Wolf" with their quaint houses was an achievement in ballet mime, and a credit to the teacher.

"Dance in C" was lively and had the special effect of an ultra violet light. This number was well received by the audience.

The small folk in the "Winter" ballet stole the show as they cavorted in the make-believe snow with Jack Frost and the Wind. The Ice and Hail children combined with the snowflakes to make this ballet staff on an excellent turn-out on parade. truly delightful.

The Waltz from the Sleeping Beauty Ballet was a fitting climax to a well rounded program. The older students were delightful in their white classical tu-tus and displayed poise and charm as they danced in unison.

At the request of parents, a demonstration of Primary and Grade 1 Ballet was included in the recital. The students included were adjudicated in April by Miss Peggy Whitely of London, England.

Parents and pupils alike were unanimous in their praise of "Ballet in Miniature." Residents of Griesbach are fortunate in having a qualified teacher of Royal Academy Ballet in their midst. "Hats off" to Miss Marilyn Woodcock and her pupils for a job well done.

Pupils of the Griesbach Ballet School took part in the Red Cross Show "Ports of Call" held in the Jubilee Auditorium in May. They also danced at the Moose Temple on June 14th, and assisted in a recital of Airforce children held at the Recreation Centre at TAC.

It is well known that certain worls have certain association for various people; for instance, if we were to use the word 'dough" the majority of readers would almost certainly think in terms of cold, hard cash, and never dream of associating the word with that sticky substance found in bakeries. Some words have the ability to cause certain people to grit their teeth, tear their hair, go red in the face and generally utter noises similar to a stranded codfish. No names, no pack drill as the saying goes, but there is a certain WO 2 in the detention barracks who behaves in such a manner whenever someone mentions a particular word. The word? GOLF!

Graduates from the 1958 Little League have been formed into a Pony League Team and entered in the Edmonton Pony League. The team has been named the Griesbach Warriors and has been equipped by donations from Reliance Storage and the Griesbach Association. Team officials are as follows:

Lt. R. A. Jardine, 17 ROD, Manager. Capt. L. T. Little, Comd Pay. Coach. Sqt. Mayan, 17 ROD, Coach.

The step up from Little League to Pony League calibre of baseball has been rather difficult for the Griesbach lads but they are gradually becoming accustomed to the more senior type of play. They lost their first four games, some by rather lop-sided scores, but have won two of their last three games.

The experience being acquired as a result of playing in a higher classification is proving very useful to both players and coaches. The Griesbach Little League is now in its second year and the boys now playing in it, will graduate to Pony League satus with more experience than the present graduates now have. There is every indication that in future years it will be possible for the Griesbach Warriors to give a very good account of themselves in the Edmonton Pony League.

Fast Ball

After a rather shaky start, the unit fastball team is begining to make itself known. Particularly impressive was their 21-8 victory over the highly rated City Fire Department.

Church News

Our Lady of Fatima's CHAPEL NEWS

Every year in the Catholic Church we have a special feast and ceremony to manifest exteriorly our faith. "Corpus Christi" means the Body of Christ. Because of the Catholic belief that Jesus Christ, the Son of God, is really present under the appearance of bread and wine, we have a procession outside of the church, during which we sing and pray in order to honour our Blessed Lord. This year it was celebrated after the 11:00 a.m. Mass on Sunday, May

On Sunday afternoon, May 31st, approximately 1,800 Roman Catholic Scouts, Cubs, Guides and Brownies attended the annual Founders Day Church Parade held at the Prince of Wales Armouries. Mass was celebrated by Archbishop Jardon. Religion and Life awards were presented to 148 Scouts and Guides, the largest number ever to receive the awards at one time in Edmonton. The Catholic members of the different groups from Griesbach attended the rally.

The annual Altar Boys' picnic, which is sponsored by the C.W.A., was held on June 6th at Lac Ste. Anne Mission. Parents of the altar boys and parishioners were invited to attend. A well planned programme, organized by Capt. R. Lawlor, included races and games. Prizes were awarded to the winners. In the races for juniors Gerry MacLellan was the winner; intermediate-Gary Salmond, with Richard Scurr as second. Senior won by Jimmie Salmond. Ball throwing contest - junior, Gerry MacLellan; intermediate, Paul Labelle and senior, Richard Lewis. Peanut scramble, Robert Lewis. Sack race, Brian MacLellan. Largest and most fish caught, avid Lewis; smallest fish, Richard Scurr.

It seemed quite appropriate that the date chosen for the blessing of the Infant of Prague Statue should be the day that the children of the chapel make their first Communion. This dedication was presented before the 9:00 o'clock Mass on Sunday. June 21st, after which the solemn reception of Holy Communion for the first time was received by 21 boys and girls. Following the Mass the children were enrolled in the Scapular, which is a particular emblem of devotion.

Lt.-Col. L. S. Ritza has returned from his leave and has resumed his duties as Command Chaplain, Western Command. Capt. R. Plourde has left for Wainwright, following the concentration and a period of an-Egypt. Father Plourde will be replaced by Waugh to Germany. Capt. J. St. Arnaud, who recently arrived from the Brigade in Germany. Major E. Rheaume is on leave in Eastern Canada, Jubilee Mass on July 1st.

Activities around the Chapel are slowly falling off as the groups cease their meetings for the summer recess. The Senior Choir held its wind-up party on June 10, and the Junior Choir wound up its activities with a party on June 17th.

It is to be regretted that both these choirs will be losing a large number of members over the summer months, due to the usual postings. When they reconvene in September, they will be earnestly appealing for reinforcements to replace the losses. It is hoped that a few more people will volunteer their services.

ST. JOHN'S CHAPEL W.A.

The regular meeting of St. John's W.A. was held in the Chapel Parlours on May 26th. This was the last meeting until September.

The ladies are sorry to have to say good-bye to three most valued members, Mrs. Fulton on a posting to Whitehorse; Mrs. Gove on a posting to Germany, and Mrs. Douthwaite who has left to take up residence in the United States.

On June 8th members enjoyed a show at Namao, followed by a social evening at the home of Mrs. Munro.

Come September when meetings begin again, the ladies would like to see lots of new faces. Meetings are held at 8:30

CATHOLIC WOMEN'S AUXILIARY NEWS

Our Lady of Fatima C.W.A. held their final meeting of the season on June 2nd. After a brief business meeting, a special buffet lunch and tea were served. The occasion being a farewell "do" for seven of our members who are leaving Griesbach. They are Mrs. C. N. Palmer, who is going to Camp Borden; Mrs. R. Watson to Kingston; Mrs. R. A. Labelle to England; Mrs. A. J. J. Gaumond to Germany; Mrs. R. J. Pottery to Halifax; Mrs. J. W. nual leave, he will depart for a term in Shiev to Quebec City, and Mrs. C. H.

All were very active in the C.W.A. and their departure will be a loss to our auxiliary. Another member of our group, Mrs. E. Nelson, whose husband is posted to while there, he will celebrate his Silver Egypt, left the first of May to reside at the West Coast.

St. John's Chapel Alta. Sigs Sqn. News

Postings and promotions are prominent in the Squadron this month and we are having quite a time keeping up with events. However a hearty welcome goes out to WO2 Tracey and family and we hope they enjoy their stay here at Griesbach. WO2 Tracey is replacing WO2 Buchan who will shortly be leaving for Ottawa and we wish him and his family the best of luck. We also welcome S/Sgt. Beck and his family and hope that their stay in Griesbach will be a pleasant one. Sgt. Shire has been posted to Ottawa and leaves this week.

Congratulations go out to Sgt. Wood on his recent promotion and also a big welcome from the boys in the office who were anxiously awaiting the replacement. Also congratulations to Cpl. McBain on his recent promotion and to L/Cpl. Quigley on his new appointment. There should be plenty of parties coming up.

Sigmn Hunter, Stamp and Seddon recently returned from Wainwright where they successfully passed the Junior NCO Course.

Farewell and good luck to Cpl. Stovold who heads for civvy street this month. Cpl. Stovold has done a lot of good work for the Griesbach Cubs and we are sorry to see him leave.

We would like at this point on behalf of the parents and children of Alta Sig Sqn. who live on the camp, to extend to Cpl. Stubbington of the C Pro C, a big thank you and good luck in his new posting. Cpl. Stubbington has done tremendous work in organizing the Pedal Pusher Club here on the camp and will be sorely missed by both the adults and children

Congratulations to Cpl. and Mrs. Poetker who are the proud parents of a lovely daughter, Romona Marie.

Cpl. Jenkins says he has his grass cutting problem solved. He waters his lawn with beer so it comes up half-cut.

Finally we would like to offer our congratulations to Colonel E. T. Munro (Ex-RC Sigs) on his recent promotion to that rank.

PSO NOTES

Mrs. Francis Rowe, who has so ably assisted the Personnel Selection Staff with her efficient stenographic work over the past nine months, has left to return to her family chores. The Personnel Selection Staff wishes to thank Francis for her devotion to duty during her term of employment, to express their regret at her retirement and to wish her good luck for the future.

CANADIANS WIN AT B.A.O.R. MEET

SOEST, Germany. — Two Canadian soldiers brought home silver and bronze plaques for placing first and second in events of the British Army of the Rhine track and field competitions in Berlin. Rifleman Allan Turner, of La Tuque, Que., won the silver plaque for defeating all comers in the pole vault. Guardsman Ray Barronette, of Sudbury, Ont., placed second in the javelin throw. These two soldiers, members of 2nd Battalion, Queen's Own Rifles of Canada, and 2nd Battalion, Canadian Guards, are the only Canadians who may be selected to go to the British Army Chompionships in England later this month.

In the two-day Berlin meeting last week, 148 athletes competed for places on the team which is to meet the best athletes from other British Army stations.

The sports meet, which was held in the area of Berlin's Olympic Stadium (built by Hitler for the 1936 world olympics) was in itself a prize for the soldiers of 4th Canadian Infantry Brigade Group. The enviable reward for participation was the chance to travel freely in the western sectors of the city and take a guided tour through the Russian-held sector. Other Canadians stationed on NATO duty in Europe, their dependents, and government sponsored employees, are not allowed to visit Berlin either in uniform or civilian clothes.

224 WORKSHOP RCEME

The workshop this month will be losing quite a number of personnel: Lt. Fossen has been transferred temporarily to Headquarters, 13 Coy RCEME. His presence is missed around the Control Office. Sqt. Pottery, pisted to 6 Coy RCEME, Halifax. Sgt. Prosser is leaving for 56 Infantry Workshop, Egypt. Cpl. Gay goes to Camp Gagetown and then on to Germany'. Cpl. Meints was posted to Chilliwack, B.C. Cfn. Jod Wright will be going to 1 Bn RHR, Aldershot, N.S. Also Cfn. Pointer, Cfn. Black and Cfn. McInnes will take in the summer concentration at Wainwright. Mr. Bugnet is transferred to Headquarters, Western Command, and Mr. Sid Gallop has retired to join the CC Guard in Edmonton.

New arrivals here are Cfn. Code and Cfn. Roenspiess, both from the RCEME School, Kingston. We all wish their stay will be an enjoyable one.

Congratulations are extended to Cpl. Kitchen who has been promoted to the rank of Sergeant.

The workshop will hold its annual children's picnic sometime in July when suitable picnic grounds are available.

Recently a mother and her flock of ducklings, 12 in all, were found trespassing through the workshop compound. In the confusion, mamma duck was pinned under the fence and the young ones were running around trying to set mamma free with no success. This attracted attention to a few of the personnel is the workshop and seeing that ducks were out of season, set mother fret, gathered the young ones in a basket and transported them to the nearest slough. doing a good turn for all hunters who might have their sights set for 12 ducks in the fall.

TRAINING IN HIGH GEAR

Sennalager, Germany. — Canadian Army training operations are hustling along in a series of highly-mobile dust clouds through this NATO all-arms training centre. With no rain for the past six weeks, the sand has turned to powder that rises in endless puffs while 4,800 soldiers of the 4th Canadian Infantry Brigade Group sustain their day and night pace.

Their three weeks of range work and manoeuvres started this week with a 1,000 vehicle move from their nine base camps some 50 miles away. During their time under canvas in the pine woods and sandy scrub, the brigade force will carry out a series of company-sized tactical operations with infantry working closely with armour and artillery.

Getting a workout are new drills for making the foot-sloggers mobile in their new three-quarter ton trucks which have proved effective personnel carriers. Another new feature of the training is range work with the heavy-barrel FN, replacing the Bren gun. More vehicles mean more drivers so the three brigade infantry units, 2nd Battalion, Canadian Guards, 3rd Battalion, Royal 22e Regiment and 2nd Battalion, Queen's Oown Rifles of Canada, have special driving practices operating in preparation for a safe and skilleddriving competition.

No rain means a high fire hazard in the ranges and woods. Firing has been stopped several times to put out small outbreaks and extra precautions are in the order of every day with large fire pickets standing by on call.

ROYAL VISIT to CADET CAMP

Her Majesty the Queen and Prince Philip will chat with their youngest Canadian "troops" when they visit the National Cadet Camp at Banff, Alberta, on July 10th.

The top 235 Royal Canadian Army Cadets have been selected from the five Army Commands across Canada to attend the special camp near Cascade Mountain in Banff National Park from July 5th to 25th.

The three weeks in camp will cover general military training, with plenty of sports and sightseeing trips included.

Highlight of the camp will be the visit of Her Majesty and Prince Philip who will pay a short visit and mingle informally with the boys. Prince Philip is Colonel-in-Chief of the Royal Canadian Army Cadets.

The largest number of master and first class cadets will be from Central Command with 105; then Quebec Command 64; Prairie Command 28, including 14 pipers and drummers; Eastern Command 20; and Western Command 18.

Cadets from Eastern, Quebec and Central Commands will be flown to Calgary by RCAF transport planes from Dorval airport, Montreal, and Downsview airport, Toronto, and return.

Present active strength of the Royal Canadian Army Cadets is 66,524, in 524 school and non-school corps.

Commanding the National Cadet Camp is Lt.-Col. F. N. Pope, Vancouver and Ottawa, of Princess Patricia's Canadian Light the cadets to and from the camp.

Lower Accident Rate

Soest, Germany. — Canadian soldiers erving here with the 4th Canadian Infantry Brigade Group cut their accident rate to an all time low of one and onetenth accidents for each 100,000 miles during April, and they hope to reduce it even further.

Figures compiled for the month show that the record is based on the operations of some 1,000 vehicles over a total distance of 825,000 miles of narrow, twisting roads in the Ruhr Valley. During the month troops were involved in only 23 accidents, most of them minor.

Brigade safety officers credit the reduction in accidents to a system of "periodic awards for good driving, constant pressure by commanding officers, and behind-thewheel education of drivers."

Ten units of the brigade had an accidentfree month. Drivers of 3rd Battalion, Royal 22e Regiment, covered 89,000 safe miles.

HOLIDAY TIPS

The summer is here and with it comes the periods during which families vacate PMQs for greener pastures on vacation. Griesbach is now a fairly good-sized community and as such, subject to such things in crime as thievery, breaking and entering, and others. A particularly good target for the criminal is the empty PMQ.

Following are some tips that will assist you in concealing your absence from any prowling criminal surveying obvious or likely prospects, and at the same time, to add to your home's security:

- (a) Arrange for a stop to parer delivery;
- (b) Arrange a stop of milk delivery;
- (c) Arrange with neighbour to check pre mises periodically;
- (d) Arrange for lawn to be mowed;
- (e) Secure premises and then check to make sure all points attended to:
- (f) Notify your Provost Detachment at GR 9-8400 or GA 2-6367 of your PMQ No., period of absence, and the neighbor having keys and checking responsibility.

Provost Patrols do not guarantee absolute protection, but will keep an extra bit of attention directed to your home, thus adding to its security. Your neighbor should be cautioned that if any strange persons are seen prowling in the vicinity, Provost should be called immediately.

Make your vacation happy in all respects, with a secure home, followed by safe driving and safe water practices, until your return.

BRIGADE GIMMIC PANTRY

Sennelager, Germany. — Did you ever hear of a burglar alarm in the middle of a forest? They say the 4th Canadian Infantry Brigade Group in Germany has everything they need and so they have one of them, too.

Even though it's a bit of a gag it's a mighty effective one, according to two Provost Corps corporals. When the 3rd Battalion, Royal 22nd Regiment pitched their tents in the pine woods near here for three weeks of field manoeuvres it didn't take them long to build an underground cold storage room for perishable food.

But you can't guard everything in camp when most of the troops are out on exercises or getting well-deserved sleep, so the Provost were asked for a bit of co-opera-

The result is an effective burglar alarm that sets off a terrific din in the cook's sleeping tent if anyone trifles with the storage bin. As well as discouraging hungry soldiers on the lookout for a late Dagwood snack the secret system of pressure plates, boards and buzzers gives dogs and other animals

PROVOST NEWS

Friday evening, June 12th, was a night of celebration for members of the Canadian Provost Corps in Edmonton and Wainwright. The occasion was the nineteenth birthday party of the Corps held in the physical training building of 2 PPCLI at Griesbach Barracks. It was attended by about 130 people, prominent quests among whom were Col. J. R. Stone, DSO., MC., CD., until recently the Provost Marshal of the Canadian Army, now secinded to the Department of Justice committee that is investigating the Canadian penal system, and Mr. Allan McLeod, QC., also of the Department of Justice.

The success of the party was due to the combined efforts of many members of the C Pro C in Edmonton, but who are too numerous to adequately praise for their efforts here. However, a special thanks is due to Capt. R. W. Lawlor, the ogranizer of the party, WO 1 V. M. Delaney, supervisor of the catering, S/Sgt. Jim McClelland, in charge of beer and donations, and Sgt. H. E. Risser, who organized the band and the prizes. Also due for an honourable mention is Cpl. L. R. Lacourse, and his fellow cooks at No. 10 SDB, for the painstaking care taken in preparing a most sumptuous feast for the party.

The Canadian Provost Corps had its origin in the early part of the last war when No. 1 Provost Company, formed from the RCMP, was organized and sent to Europe. It was officially born in June, 1940, and since that time its members have seen service in Noramndy, Italy, Korea, Indo-
